All ordinary shares offered in our global offering in April 2021 are registered on the Hong Kong Share Register in order to be listed and traded on the Hong Kong Stock Exchange. As described in further detail below, holders of ordinary shares registered on the Hong Kong Share Register are able to exchange these shares into ADSs, and vice versa.

Our ADSs

ADSs representing our ordinary shares are traded on Nasdaq. Dealings in ADSs on Nasdaq are conducted in U.S. dollars.

ADSs may be held either:

- directly: (i) by having an American Depositary Receipt, or ADR, which is a certificate evidencing a specific number of ADSs registered in the holder's name; or (ii) by having uncertified ADSs registered in the holder's name; or
- indirectly, by holding a security entitlement in ADSs through a broker or other financial institution that is a direct or indirect participant in The Depository Trust Company, also called DTC.

The depository for the ADSs is The Bank of New York Mellon, whose principal executive office is located at 240 Greenwich Street, New York, New York 10286, United States.

Depositing ordinary shares trading in Hong Kong for delivery of ADSs

An investor who holds ordinary shares registered in Hong Kong and who intends to exchange them for ADSs to trade on Nasdaq must deposit or have his or her broker deposit the ordinary shares with the depository's Hong Kong custodian, The Hong Kong and Shanghai Banking Corporation Limited, Hong Kong, in exchange for ADSs.

A deposit of ordinary shares in exchange for ADSs involves the following procedures:

- If ordinary shares have been deposited with CCASS, the investor must transfer ordinary shares to the depository's account with the custodian within CCASS by following the CCASS procedures for transfer and submit and deliver a duly completed and signed ADS delivery form to the custodian via his or her broker.
- If ordinary shares are held outside CCASS, the investor must arrange for the deposit of his or her ordinary shares into CCASS and then proceed as described above.
- Upon payment of its fees and expenses and of any taxes or charges, such as stamp duties or stock transfer taxes or fees, if applicable, the depository will register the corresponding number of ADSs in the name(s) requested by an investor and will deliver the ADSs as instructed in the ADS delivery form.

For ordinary shares deposited in CCASS, under normal circumstances, the above steps generally require two business days, provided that the investor has provided timely and complete instructions. For ordinary shares held outside CCASS in physical form, the above steps may take 14 business days, or more, to complete. Temporary delays may arise. For example, the transfer books of the depository may from time to time be closed to ADS issuances. The investor will be unable to trade the ADSs until the procedures are completed.

Surrender of ADSs for delivery of ordinary shares trading in Hong Kong

An investor who holds ADSs and wishes to receive ordinary shares that trade on the Hong Kong Stock Exchange must surrender the ADSs the investor holds and withdraw ordinary shares from the ADS program and cause his or her broker or other financial institution to trade such ordinary shares on the Hong Kong Stock Exchange.

An investor that holds ADSs indirectly through a broker or other financial institution should follow the procedure of the broker or financial institution and instruct the broker to arrange for surrender of the ADSs, and transfer of the underlying ordinary shares from the depository's account with the custodian within the CCASS system to the investor's Hong Kong stock account.
